

BMJ Best Practice App / How to access the full content subscription

SGUL Staff and Students have access to the full content of the BMJ Best Practice app through the Library's subscription.

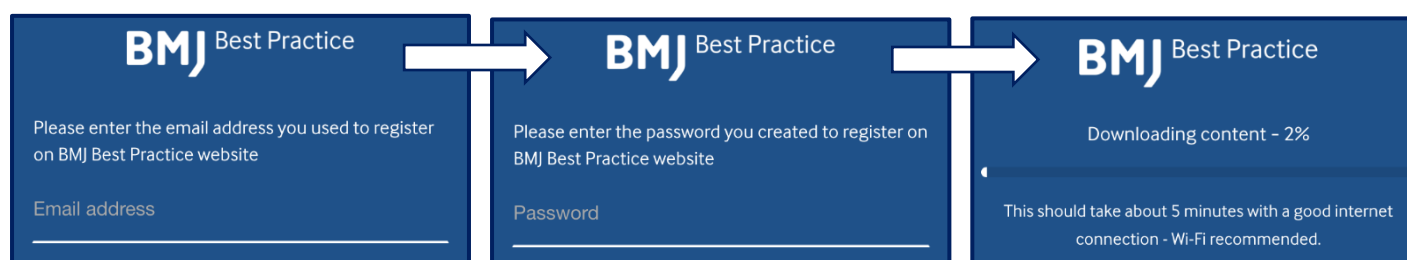

Setting up on your device:

1. Create a 'My Best Practice' personal account on the [BMJ Best Practice website](http://bestpractice.bmj.com/) (<http://bestpractice.bmj.com/>) whilst using either a computer in the Library Computer Rooms; a Library laptop; or using a device connected to the **St George's eduroam** WiFi network.

Remember the email address and password used to create the account.

2. Download the app from the iTunes app store (iOS) or Google Play (Android).
3. Launch the app. When asked to log in, use the same email address and password you used to create your **My Best Practice** account.

4. The app content will automatically begin to download. It will take about 5 minutes on a good WiFi connection.

Note: Subscription must be renewed **every six months** by logging into your **My Best Practice personal** account on the BMJ Best Practice website <http://bestpractice.bmj.com/> using either a computer in the Library Computer Rooms; a Library laptop; or using a device connected to the St George's eduroam WiFi network.
