

More options for finding articles

Hunter Advanced Search

Use the options in **Advanced Search** to add more details to your search by clicking on drop down menus and selecting the relevant criteria

Searching on a topic? Focus your search:

- **Search scope: Articles and more**
- **Publication Date: Last 10 years**

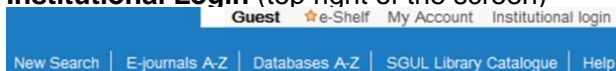

The screenshot shows the 'Advanced Search' interface. On the left, there are three search boxes with dropdown menus for 'Any', 'Title', and 'Author'. The 'Author' option is selected. On the right, there are fields for 'Publication Date' (set to 'Last 10 years'), 'Material Type' (set to 'All items'), 'Start Date' and 'End Date' (both set to 'Day', 'Month', 'Year'), and 'Search Scope' (set to 'Articles and more').

Searching for a specific article? Select:

- **Title** for the first search box
- **Author** for the second search box

Logging into Hunter

SGUL students and staff can log-in to Hunter using their SGUL username and password. Click **Institutional Login** (top right of the screen)

The screenshot shows the top navigation bar of the Hunter website. It includes links for 'Guest', 'e-Shelf', 'My Account', and 'Institutional login'. Below these links, there are additional navigation options: 'New Search', 'E-journals A-Z', 'Databases A-Z', 'SGUL Library Catalogue', and 'Help'.

When logged in to Hunter you can:

- Save and retrieve your searches
- Save and retrieve results to the e-Shelf
- When you are logged in you will see your name next to e-Shelf, instead of Guest

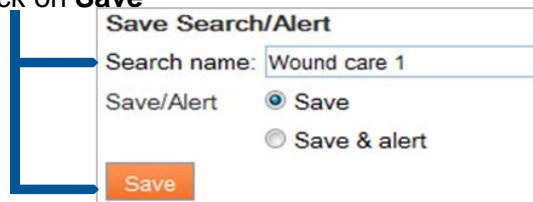

Saving searches and results

To save your whole search, scroll down to the bottom of the page and click **Save search** in the panel on the left

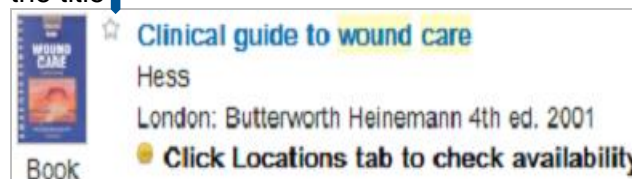

The screenshot shows the bottom panel of the Hunter website. It contains three options: 'RSS', 'Save search', and 'Add page to e-Shelf'.

In the pop up box enter a name for your search and click on **Save**

The screenshot shows a 'Save Search/Alert' pop-up box. It has a text input field for 'Search name' containing 'Wound care 1'. Below this are two radio buttons: 'Save' (selected) and 'Save & alert'. At the bottom is a 'Save' button.

To save individual search results you can add them to your e-Shelf. Click the **star icon** next to the title

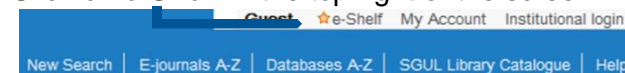

The screenshot shows a search result for 'Clinical guide to wound care' by Hess. The title is highlighted in yellow. A star icon is visible next to the title. Below the title, the author 'Hess' and the publisher 'London: Butterworth Heinemann 4th ed. 2001' are listed. A 'Book' label is at the bottom left. A call to action says 'Click Locations tab to check availability'.

The star will turn orange and the record will be saved to your e-Shelf

Retrieving searches and saved items

Make sure that you are logged in to Hunter.

Click on **e-Shelf** in the top right of the screen

The screenshot shows the top navigation bar of the Hunter website. The 'e-Shelf' link is highlighted in blue.

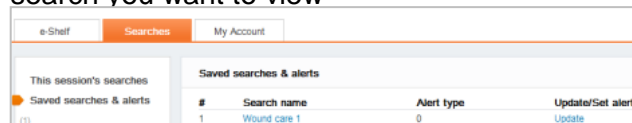

A list of your saved items will be displayed. Click on any to view the full information for that title and for links to the full text if online access is available at the bottom of the screen

The screenshot shows the 'e-Shelf' page. It has a 'Basket' section with a table of saved items:

Type	Author	Title
Book	Donna Scamens	Nurse to nurse : wound care
Article	Belcher, Judy	A review of medical-grade honey in wound care
Article	Murakami, Reiko ; Shimomaru, Mizue ; Yamane, Reiko ; Hiko...	Implications for better nursing practice: psychological aspe...

To return to a saved search, click on the **Searches** tab and then click on the name of the search you want to view

The screenshot shows the 'Searches' tab. It has a 'Saved searches & alerts' section with a table:

#	Search name	Alert type	Update/Set alert
1	Wound care 1	0	Update

Hunter

Finding articles, books and more...

Hunter is a search tool that can search across all of St George's University of London's information resources including books, journal articles, dissertations and theses, and SORA - our institutional repository.

Find out how to:

- Search for books, articles, journals
- Access the full text
- Save searches
- Save results
- Retrieve saved searches and results

Finding books, journals and articles

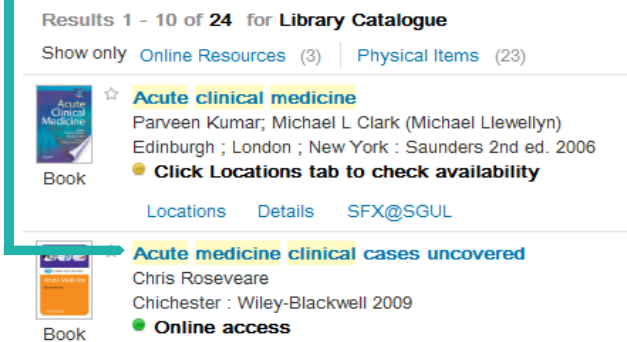

Go to: <http://library.sgul.ac.uk> to search Hunter

To find books and e-books

STEP 1 Enter a title or a few keywords and select **Library Catalogue** and search

STEP 2 Click on a title for more details about a book that you are interested in

STEP 3 Click the **Locations** tab to find the Call Number for the book, this tells you where the book is in the Library

E-books: click the **View Online** tab and choose the relevant link to view the book electronically where online access is available. You will be prompted to log in

Checking the availability of print copies

STEP 1 Click the **St George's Library** link on the **Locations** tab

STEP 2 Check the **Copies** and **Location** information to see the availability

Library Collection = currently in the Library

If all copies are on loan you can reserve it by clicking **Place Hold**

STEP 3

To find a journal

STEP 1 Enter the name of the journal and select **Journal Titles**

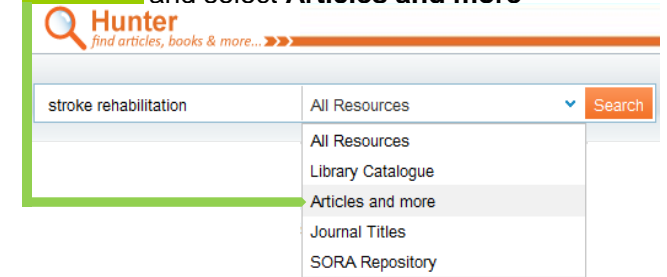

STEP 2 Click the **Locations** tab for details of our print holdings for the journal title

Click **View Online** for details of our access, and follow the relevant link

To find journal articles

STEP 1 Enter an article title or a few keywords and select **Articles and more**

STEP 2 Click on the article title that you are interested in for more details

STEP 3 Click the **View Online** tab and follow the link to the full text

Things to remember:

- The full text link takes you to the abstract, look for the PDF link to open the article
- If you are offsite you will be prompted to log-in before you can view the article
