### Medical School Committee Minute Books (1862-1945)

One main series of minute books held in the Archive is that of the Medical School Committee. These volumes record the development of the Medical School from 1862 up to 1945 when the reorganisation of the hospital administration led to the Medical School Committee transitioning to a School Council and an Academic Board.

St George's Archive holds Medical School Committee books for the following years:
